

CVAs are easy ownership plans that aim to increase business improvement, ensuring operational excellence with a sustainable pathway.

HASSLE - FREE OWNERSHIP

CVAs bring together dealer advice, easy parts acquisition, plus options for flexible parts and service deliverables, and provide peace of mind with complete engine protection.

HASSLE - FREE MAINTENANCE

Getting the right Genuine Cat® parts delivered to the right place at the right time. Service options are flexible to meet your needs and help optimize engine operations. Predictable maintenance and repair costs that support budget planning and forecast.

SECURITY OF EXPERT DEALER SUPPORT

Gmmco CVAs are customized plans that offer troubleshooting (Online & Offline), diagnostics and repairs with Genuine Cat parts. Option for 24/7 trained technical assistance is available.

PEACE OF MIND FROM EQUIPMENT HEALTH MANAGEMENT

Data trending and alerts with Cat Connectivity Tools - Vision link and RFV. Caterpillar and/or GMMCO Marine experts providing 24/7 failure prevention analysis on Caterpillar engines while obtaining data-driven recommendations to keep your fleet running. Emergency service response options are available during engine downtime.

PROTECT YOUR ASSETS & PUT A STOP TO COST CREEP IN ENGINE OPERATION.

As every customer is unique, Gmmco offers a range of maintenance and overhaul plans through Customer Value Agreements which are custom-made according to your operation's needs.

We provide the complete services for engines and related systems in India for Caterpillar Marine Engines. Our services range from site overhaul, repair, retrofit and rebuilding to fuel conversions and environmental solutions. These include basic support, operational support, performance optimizers, environmental solutions and online support.

We provide full service throughout the product lifecycle for both Marine Engines and Generators. Our basic support offers you OEM spare parts, field and workshop services, advanced online technical services and global training services for all engine / installation needs.
